

Free taster sessions

Discover how to be a better rider

If you've ever wondered what advanced riding skills look like and whether you'd like to develop your own, our Free Taster sessions are a fun way to find out.

These sessions bring advanced riding to life. They last at least an hour and may be on a one-to-one format or held during a friendly, group event day.

Our volunteers will provide a demonstration of what we're all about - for free.

“A couple of simple tips had an amazing effect on my riding”

Who's it for?

Free Tasters are for riders who want to improve their riding skills, but would rather try before they buy. It doesn't matter what motorcycle you ride, what age you are (as long as you have a current driving licence) or your level of experience.

You could be a professional rider who wants to add a qualification to your CV, a seasoned rider keen to stay safe, a new rider who doesn't want to stop at the motorcycle test, or someone who has wanted to improve their riding but has never got around to it.
