

**Wolverhampton Advanced Motorcyclists.**  
**Leader Ride Crib Sheet – Debrief.**

- Welcome, and thank you for joining today's WAM ride-out.
- As ride leader, I would like to remind everyone that each rider is fully responsible for their own safety, decision making while riding, and compliance with the law (including their bike legality).
- When overtaking fellow riders, please ensure it is done safely, courteously, and with consideration for the group.
- Overtaking the ride leader is not permitted under any circumstances.
- The penultimate rider must maintain visual contact with the tail-end marker at all times.
- If you plan to leave the ride before its conclusion, please inform both the ride leader and the tail-end marker in advance.
- If you are unfamiliar with the second-man drop-off system, or any other aspect of the ride, please speak with me or an experienced member before we set off.
